12 August 2025

Dear Resident/Occupier,

We need to inform you about roadworks on **C1060 from A44 to C1059 Junction, Hatfield**. We will be carrying out structural patching works.

Works will take place under a road closure from **Tuesday 26 August to (and including) Thursday 28 August 2025**. The road will be closed between **08:00** and **17:00** each day.

The signed diversion route will be via **C1060 / A44 / C1059 Stoke Prior and vice versa**.

We will make every effort to provide vehicular access to properties within the road closure, but there may be times when it is not possible or there are delays. Help and guidance can be obtained from the dedicated marshals on site.

We apologise for any inconvenience this may cause you. At Balfour Beatty we work in partnership with Herefordshire Council to minimise the impact of our work and aim to keep disruptions to a minimum - we appreciate your patience.

The work schedule may change due to circumstances, like as severe weather. Changes may occur at short notice without further notification. All changes will be shown on advance warning signs at the roadworks site. For the latest information on roadworks in the county, please visit <https://one.network>. You can also follow us on **Twitter via @HfdsStreets** and **Facebook via Herefordshire Highways**.

If you have any questions about the roadworks, please use the Contact Us form on the Herefordshire Council website. <https://www.herefordshire.gov.uk/council/contact-us>.

Alternatively, you can call us at 01432 261800.

Yours faithfully,

Project Team
