Locality Weekly Update

This week I started with the Leominster monthly playgrounds inspection which I had to complete over two days because of the rain. On Wednesday I had a Stewards meeting down at Thorn Depot then on to Enquiries. Thursday was over in Bromyard for their monthly B roads inspection. Today, Friday, I'm preparing this briefing and it's back to local Enquiries.

Next Week

I am on leave until Wednesday. On Thursday it's the Leominster Locality A/B roads inspection; Friday Bromyard A/C/u.

Seasonal/Important Info

Capital Works

The C1105 Worcester Road overbridge in Leominster from Southern Avenue to the A49 resurfacing is now complete. The A44 Bargates and Barons Cross Road has now been marked up ahead of resurfacing works planned to start in October.

New BBLP Contract Director

James Fishlock has been appointed in the role of Contract Director, taking over from Mark Pearson who left to pursue other opportunities in Balfour Beatty. Although Balfour Beatty are not taking the contract forward beyond May 2026, James will provide leadership to ensure a good final year of service for Herefordshire and that teams are best placed for success in the future.
